

PANDEMIC

JEEP JK TAILGATE PLUG KIT

Thank you for purchasing the **PANDEMIC Tailgate Plugs** for your Jeep JK. Installation is simple. If you are not confident in your mechanical skills, please seek the help of a professional to perform the installation. Please read through these entire instructions before proceeding with installation.

PARTS LIST

Please check over your item/s upon arrival to ensure that everything listed below has arrived, and to check for damage during shipping. If anything is missing or damaged, please call **PANDEMIC** at **888.411.8493**.

(2) Pandemic Tailgate Plugs

SUPPLIES NEEDED

- RTV Silicon

INSTALLATION PROCEDURE

1. Park vehicle and set the emergency brake.
2. Remove OEM tire bumpers from the tailgate, if still installed.
3. To help seal the tailgate and retain the plugs, apply a small bead of RTV Silicon **around** the portion of the plug that snaps into the gate.
4. Snap the plugs into place and allow the RTV to cure for 15-30 minutes before driving the vehicle.

Congratulations! You have completed a very simple installation. 😊
